

Dear Families of Johnson Primary School,

Welcome to the 2024-2025 school year! I am thrilled in having your children back in our classrooms and hallways, filling them with energy and enthusiasm for learning. Our continued commitment to fostering resilience, perseverance, and empathy, will undoubtedly help our students thrive academically, socially, and emotionally. It is our purpose to have every student feel welcomed, connected and a part of our Johnson family!

Our team will continue to embed critical thinking and collaboration across all content areas. We will also continue working diligently to meet the diverse needs of our students through small group instruction across all grade levels, school-wide implementation of early literacy skills, and emphasize meaningful timely feedback to help students work towards academic mastery.

As a “Be Kind” school with a Schoolwide Positive Behavior Intervention Support, our deliberate work to instill tools for self-regulation and emotional wellness will carry on through lessons by our counselor, teachers, and staff. Practices such as communicating needs, and self-advocacy, help our students have ownership over their responses to their emotions.

I feel so privileged to continue this new chapter of my professional life leading a school with such dedicated staff, fantastic students, and supportive families! I continue to look forward in building relationships, guiding, and learning to provide an engaging experience for our students.

Again, I am honored to serve as the principal of Johnson Primary. It is truly a privilege to be a part of a community where parents, teachers and students care for each other and strive to build positive relationships that support academic and social growth.

The importance of learning comes with high expectations of school tools ( backpacks, pencils, notebooks etc....) if you need assistance with school learning tools, please contact Suzette Madril our Family Liaison.
