

Principals Corner

Dear Johnson Families,

It has been an honor to spend a month with your children this year! As I walk down the halls and into classrooms, I am filled with inspiration that soon we will get our students into strong routines and procedures! I am still in awe of the care and passion our teachers and staff have put into making our school a welcoming place for our students.

We are hard at work to make Johnson Primary a place where children love to be part of. We take pride in working on Academic Learning and Safety of our students. August has been full of firsts:

- We kicked off the year with our first Parent Kinder letters that are up in our library. Thank you for the beautiful words you all wrote to your children.
- We had our first two fire drills and will continue to practice them until your children are experts at it.
- We had our Pre-school Parents attend orientation and our preschoolers eager to learn!
- We had our first PTO meeting with PTO new officers.
- We had our first PBIS Kick OFF where our students learned about Johnson's 3Bs- Be Respectful, Be Responsible and Be Safe!
- We had an excellent turn out for Open House and got to meet you for the first time!
- Our Student Council Third Grade Representatives were selected. Congratulations to them!

We are looking forward to seeing so many parents come to Parent/Teacher conferences this week and learn about your child's progress!

Our students continue to do their part and are becoming owners of their own learning! I am excited to announce that our first month of school was very productive and full of wonderful beginnings, even if we are still learning.

Thank you for being our Educational Partners.
Respectfully, Rose Cota
